SAILORS AND OFFICERS STREW FLOWERS ON THE HUDSON.

Chaptain Talks to the Men on the New Hampshire's Deck One of the Missing Reappears, One is Added to the List Still No Bodies Are Found.

Purple asters and white earnations drifted down with the ebb tide on the ropes of color. They eddied about the pray bows of the battleships lying at anchor there, then passed on seaward. They were from the hands of the officers and sailors of the second division of the North Atlantic fleet and were to remember the dead of the battleship New Hampshire over whose bodies they floated. shire over whose bodies they floated.

At the hour of 3 a gun sounded from the battleship Louisiana, Rear Admiral Yreeland's flagship, and at the instant the flags at the stern of the Louisanna. the Kansas and the New Hampshire, the three ships of the division anchored in the Hudson, dropped half the length of their staffs. Then on the quarter deck of the New Hampshire began the service for the dead, not one of which the river had yielded.

laden with sailors had plied from the Louisiana and the Kansas to the New Hampshire's gangway. Rear Admiral Vreeland and the officers of his staff had be small come; Capi. Rush of the Connecticut, Winterhalter of the Louisiana and Capt. Badger of the Kansas, each six Months More in Which to Begin Work with a group of his officers, were there also. All of the officers were in full dress uniform and the naval etiquette of arrival was observed as each launch brought

terday extended for six months the time for the New Hampshire's gangway. Every officer of the New Hampshire with an account on duty was standing in a group on the quarter deck behind Capt. Rodger's, the ship's commander.

Fifty bluejactets came from each of the other two ships in the division. They stepped from their launches to the gangway. Marchal of the gangway is still the gangway marchal of the gangway ma

side no movement.

Chaplain William C. Cassard, in the testments of the Episcopal clergy, walked through the quadruple lines of sailors and took his place behind a lectern which had been set before the covered electric winch in the middle of the deck.

"I am the resurrection and the life, saith the Lord"; the opening words of the burial service were said and heads

NEW GRAFT JURY SWORN IN. Special Attorney-General on Hand Queens to Take Charge.

Taking up the graft trail where it was left off by a previous Grand Jury after returning nine indictments against officials of Queens the October Grand Jury of Queens county, which was sworn in vesterday by Justice Kapper, will start to-morrow on a further quest. In his charge the Justice, after select-

ing Richard E. Holcomb, a lumber dealer of Flushing, as foreman, said that it might be necessary for the Grand Jury to make S. R. Smith Infirmary Hospital at New an extended investigation into the affairs Brighton with his skull fractured and of the government of the borough. He referred to the designation of Arthur C. Train as a special Attorney-General to take charge of the investigation and said that he was led to "expect that there will be harmonious action between the District Attorney and the Attorney." District Attorney and the Attorney-

The crowd at the budget show at 330 vances in rates on West bound traffic Broadway was just about as big yesterbecome effective on October 10, were stationed in the building gauged it at cases contemplated an increase of from anyway Mr. Taxpayer came in multiples. Approximately 500 railroads, operating ing 2,240 pounds for \$5.27, whereas a ton in nearly every section, are affected by of 2,000 pounds cost him \$6.50. And he was pleased to hear that of the 1,000,000 Commission has inspected in the last three years 901,924. It was some satisfaction to him to hear that \$2.1 per cent. of them were more than 2 per cent. fast and that these had been rectified, even if 10.4 per cent, which were giving him the

better of it came in for mending too.

Mr. Citizen had seen Big Bill Edwards's men on the job, either recently or some time ago, but it was news to him that every day they clean 23.827.229 square yards of streets, and that it costs him personally, and every one else in the city. \$1.73 a year to have this done. Here are a few things to remember about

the budget exhibit:
The show is open every day from 10 to 7, and on Tuesdays and Thursdays the doors won't be shut until 10:30 P. M. Next doors won't be shut until 10:30 P. M. Next Sunday those in charge are going to try the experiment of keeping the show open. From 1 to 5 on Sunday afternoon you can go and see just how Father Knicker-bocker keeps his expense account. If enough persons are sufficiently interested to take the trip down into deserted lower Broadway on Sunday the practice will be continued.

continued.

To-day is finance day and at 12 Comptroller Prendergast will speak, at 3 there will be a talk from City Chamberlain Charles H. Hyde and at 4 from Major F. H. E. Ebstein. To-morrow will be devoted to education, Friday to police, Saturday to fire, Monday to taxes, Tuesday to street cleaning and Wednesday to Brooklyn.

SKULL BROKEN WITH ICE PICK. Missile Thrown by Iceman Boy Had Beer Calling Names.

John Jetter, 8 years old, of 202 Targee street, Stapleton, Richmond, is in the in a critical condition. Frederick Medler, 54 years old, of 204 Gordon street, Stapleton, is locked up charged with assault upon the boy

Medler is driver of an ice wagon. He At the conclusion of the charge the jury adjourned to their chambers and then took a recess until to-morrow.
